

Week Eight

Activities for Children and Young People (5-16 years)

There are some that can be done without adult supervision and some that you might like to do as a family.

Fridge Magnet and Clip:

Requirements:

- 1x wooden peg
- 4 pom poms
- 2 eyes
- 8 stamens
- Magnet

Directions:

1. Glue 3 of 1 colour pom poms along peg to form the body. Use a different colour for the head.
2. Stick small eyes and 2 stamens for feelers onto head.
3. Cut tops off the other 6 stamens - these are to be used for the legs.
4. A magnet is glued on the back of the peg.

Note: The peg can be used as a clip as well as a note holder.
