Dear Members

Thank you for your communications regarding your events and new contact methods at Branch and Group level following the further information from government.

We have all noted the changed regulations since my last letter was published. I know you are all following those directives. Detailed information, specific to Victoria, is available at: <https://www.dhhs.vic.gov.au/coronavirus>

Please continue to share your innovative ways of keeping in contact both with your members and with your local communities, as well as the activities you have devised.

I have included four photos of the gardens here at *Umina* that I took a couple of weeks ago. As well as the variety of green shades there are flashes of colour from a selection of flowering plants. We are indeed fortunate to have such a tranquil environment.

Kind Regards

Marion Dewar
State President
